Winning Performance.

Polaris® Snowmobiles

A half-century ago, Polaris began. Polaris started with nothing more than some space parts, a will to enjoy winter and a deep-rooted Minnesota perseverance. What came out of those initial efforts were a few snowmobiles. Basic and primitive. But nonetheless, designed to perform in the world's harshest conditions. Fifty years later, they're still here, building better and more innovative sleds. Fully dedicated to putting five decades of hardened snow knowledge to use in order to fulfill an age old mission of helping people find .
